

Something Mystical Is Happening Here.

The Washington DC Mystery School Study Group

"The Mystery School Study Groups are an interfaith gathering of women and men interested in the philosophies and psycho-spiritual practices of the Qabalah and the Western Mystery Tradition. We pursue this work for personal enlightenment and societal upliftment."

The Washington DC Mystery School Study Group is an association of individuals who are interested in the Western Mystical Tradition. The group meets once a month and the ongoing curriculum includes an in-depth study of: The Mystical Qabalah, Kundalini, Tarot as a Path to Spiritual Development, Angelology, Spiritual Alchemy and more.

The programs are taught by Joseph Lee, a recognized teacher in the tradition of Mystery School teachers, which reaches back into antiquity. Through his study groups, retreats, and lectures he carries on the tradition of passing a sacred Arcana "from mouth to ear." To facilitate the availability of the Ancient Wisdom, Joseph has founded regional Mystery School Study Groups throughout the southeast. In addition to these monthly programs, he creates two annual Merkabah Retreats, and various seminar programs through out the year in different regions. He is a regular and popular presenter at the Association for Research and Enlightenment (A.R.E.), and other organizations. Joseph is known for his lively, challenging, intense and humorous style of teaching.

This local Study Group meets at the Arlington Metaphysical Chapel, 5618 Wilson Boulevard, Arlington, Virginia 22205. For more information visit www.Joseph-Lee.com/esoteric_mssg_wdc.htm or contact Ms. Cantrell at (703) 671-8970.
